

## **GE Shipping's fleet undergoes change**

GE Shipping took delivery of another Panamax product tanker, now named "Jag Anjali" sister ship of "Jag Arpan". The Company also sold a 1975 built Anchor Handling Tug " Sharda M".

"Jag Anjali", a 66,203 dwt product tanker was built at Hyundai Heavy Industries, S.Korea in 1986 and is classed with Lloyd's Register.

With these developments, the Company's fleet now stands at 60 vessels - 30 ships and 30 offshore units. Tankers at 1.1 mn dwt now form around 77% of the company's shipping tonnage.
