AMARAVATI: The death of a Bachelor of Pharmacy student under mysterious circumstances triggered tension in Penukonda town in the new Satya Sai district of Andhra Pradesh on Friday, with her family

alleging it to be a case of gang-rape and murder. A second postmortem, however, revealed no traces of rape or murder, doctors of Penukonda hospital who performed the autopsy said.

Powai jogging track illegal

When the advocate for the corporation, Joel Carlos, sought a stay on the order, CJ Datta

"If the court stays its own order then it shows that the court is not sure of its order. We don't pass orders like that. We are sure it is illegal and so it has been stopped." The HC was hearing two different PILs filed by two PhD researchers from IIT-Bombay, Omkar Supekar and Abhishek Tripathi, and the second one by an NGO, Vanashakti. The pleas had sought a stay on the construction of the cycle and jogging track and sought directions to restore the site to its original state with immediate effect.

Opposing the PILs, the BMC had claimed that for constructing the proposed cycling track, it was using "Gabion technology" which is "porous and doesn't prevent the flow of water" during the monsoon. It further contended that the latest technology was being used for the project, which was in public interest, with no reclamation or construction work. "Gabion technology consists of merely

placing PVC-coated galvanized iron wire mesh baskets containing stones of various sizes, without any joinery, fixing or cement mortar," the corporation had said in its reply.

The petition had highlighted various failures of 'Gabion Technology', whereas the BMC failed to respond to these contentions or deny it. "We may note here with alacrity that respondent MCGM has not filed any material on record to satisfy us that 'Gabion Technology' is sufficiently proven technology or is based and supported by scientific study about its utility sans failures," said the HC. The court also noted that although the "acclaimed project" undertaken by the BMC "suggests 'rejuvenation and reinvigoration' of the physical and natural environment of Powai Lake", the same is far from true as seen by photographs. "... the obtaining situation as discernible and decipherable from photographs, which is not disputed, shows land filling / reclamation, metallic frames raised on water body for dumping stones and laying of tar road along with peripheral area of the lake which cannot by any stretch of imagination be termed or

construed 'rejuvenation and reinvigoration'

of the physical and natural environment of

Powai Lake," added the court. Agreeing with the environmentalists, the HC has said: "Common sense would prompt a disturbing conclusion that construction of cycle track or any slightest disturbance to the otherwise serene water body of the surrounding area would have far reaching effects on the ecology and aquatic life of the lake, which already has excessive silting, sewage ingress and extended hyacinth growth leading to eutrophication of the lake water." Activist Zoru Bhathena had filed an intervention application, wherein he had contended that reclamation of the lake had been done, which was impermissible. The pleas also contended that the construction was also dangerous to the ecosystem, as part of the lake was being reclaimed. Also, the Heritage Conservation Committee had clearly stated no construction or reclamation of any kind should be allowed. Citing the Development Control Regulation, it stated that there should be no construction within 100 metres of the water body. The NGO had contended that there was also a crocodile park at Powai Lake and hence permission was required to be taken

Punjab 'panga' over Bagga

was not done.

from the National Wildlife board, which

contending that Haryana Police's action was a flagrant violation of law. The matter finally culminated in a livid BJP staging protests in the evening against what it termed was the AAP's political vendetta. The Punjab and Haryana High Court, meanwhile, made an intervention and turned down Punjab's request to not allow Bagga to cross the Haryana border and enter Delhi.

Finally, Bagga, who was picked up by the Punjab police at around 6 am in the national capital, at the end of the day, was escorted home by Delhi police; the glum Punjab police returned empty-handed to the state capital Chandigarh.

The next round would be in the Punjab and Haryana high court on Saturday with each state coming up with their responses on the issue.

According to reports, the Delhi Police had also filed an FIR against the Punjab police for allegedly abducting and assaulting Bagga on a complaint of latter's father. As the day panned out, a few senior Punjab police officers rushed to Kurukshetra

alleging that their officers had been illegally detained by the Haryana Police, a plea which it also took while moving the high

court. Later, dubbing the Haryana police ''interference" as a violation of law, Punjab advocate general Anmol Rattan Sidhu observed that everything was as per procedure, but the Haryana cops delayed the process. Sidhu claimed that Haryana Police made the Punjab police team wait for six hours before handing over Bagga to Delhi Police. He also claims Bagga was sent five notices but did not respond to any. Back in Haryana, the state home minister Anil Vij said that the Haryana police had received information from Delhi Police that Bagga was 'abducted' and whisked away from Delhi in a Bolero vehicle; the state police had therefore acted as per law.

Why was an FIR registered against Bagga in Punjab? Does AAP have a torture house in Punjab?" Vij asked and added that Delhi police will now investigate the matter and truth would come out.

The Punjab government held that Bagga was arrested in connection with a case registered against him in Mohali last month on the charges of making provocative statements, promoting enmity and criminal intimidation, on a complaint of AAP leader Sunny Ahluwalia, a resident of SAS Nagar (Mohali)

Satya Pal Jain and former Chandigarh MP Satyapal Jain, appearing on behalf of the Delhi police, claimed the Punjab police had not informed their Delhi counterparts and described Bagga's arrest as political

Axis Mutual Fund was set up in 2009. MD & CEO Chandresh Nigam and Viresh Joshi were part of the original team. A preliminary investigation by the Securities and Exchange Board of India (SEBI) had detected a Rs 170 crore scam of front-running of nine scrips by the duo. The SEBI's 2017-2019 audit had detected fraudulent and unfair trade practices barred for intermediaries and individuals with direct or indirect access to nonpublic information regarding big client orders or pending mutual fund trades. The market regulator was probing all the transactions of the two senior executives over the past few years, along with the transactions of other team members. (For some time, there were loud whispers

of a Rs 1,000 crore scam in a large mutual fund owned by a leading private sector bank involving front- running by fund managers and dealers. In Fact, the buzz was that one such fund manager was allegedly using a Lamborghini and buying luxury apartments in and around Mumbai. He was said to be on the payrolls of brokers, and had accumulated small and midcap stocks on behalf of the mutual fund. He was further instrumental in boosting the small and midcap stocks and placing them with the mutual fund once they crossed a certain size threshold. There was also talk that this may be rampant in the Indian mutual fund industry, and what some said on Twitter, is an industry practice, reports IANS). Axis MF has changed the fund managers for seven of its schemes -- Axis Arbitrage Fund, Axis Banking ETF, Axis Consumption ETF, Axis Nifty ETF, Axis Quant Fund, Axis Technology ETF, and Axis Value Fund. Joshi has been removed from five of these schemes, namely Axis Arbitrage Fund, Axis Banking ETF, Axis Consumption ETF, Axis Nifty ETF and Axis Technology ETF. Axis Bank Ltd, the third-largest private sector bank in India, holds a 74.99 per cent stake in Axis MF, with Schroder Singapore Holdings Pvt Ltd holding the

redraw the boundaries of assembly and parliamentary constituencies in Jammu and Kashmir.

The three-member panel, headed by Justice (retd) Ranjana Desai, on Thursday signed the final order on redrawing the assembly constituencies of the Union Territory.

The Delimitation Commission on Jammu and Kashmir, formed in March 2020, on Thursday notified its final report giving six additional assembly seats to Jammu region and one to Kashmir Valley. Jammu division will now have 43 assembly seats and Kashmir 47 in the 90-member House. Pakistan's Foreign Office told the Indian diplomat that the Delimitation Commission was aimed at

"disenfranchising and disempowering" the Muslim majority population of Jammu and Kashmir. Pakistan categorically rejects the report of

the so-called 'Delimitation Commission' for Jammu and Kashmir, the Foreign Office said in a statement. It was conveyed to the Indian side that the entire exercise was farcical and had already been rejected by the cross-section of political parties in Jammu and Kashmir, because through this effort, India only wanted to lend 'legitimacy' to its illegal

actions of August 5, 2019. India's decision to revoke the special status of Jammu and Kashmir in 2019 outraged Pakistan, which downgraded diplomatic ties and expelled the Indian High Commissioner in Islamabad. India has categorically told the international community that the scrapping of Article 370 in 2019 by the country's Parliament was its internal matter.

India has also repeatedly told Pakistan that Jammu and Kashmir "was, is and shall forever" remain an integral part of the country. It also advised Pakistan to accept the reality and stop all anti-India propaganda.

Mere criticism not...

Judge Rokade, in his reasoning, said that it was well-settled that the provision could not be invoked to penalize criticism of the persons for the time being engaged in carrying on administration or strong words used to express disapprobation of the measures of the government with a view to their improvement or alteration by lawful means. "Similarly, comments, however strongly worded, expressing disapprobation of actions of the government, without exciting those feelings which generate the inclination to cause public disorder by acts of violence, would not be penal," the order read. The order said that a citizen had the right to say or write whatever they liked about the government or its measures, by way of criticism or comments, so long as they did not incite people to violence against the government or with the intention to create public disorder. The court said that on perusal of the FIR, it was not the case of prosecution that the announcement (to recite Hanuman Chalisa) was made with an intention to incite people to create disorder by acts of violence. The announcement did not, in any manner, have

the tendency, it said, of subverting the government by violent means.

The above is an extract of the detailed format of the financial results for the quarter and year ended on March 31, 2022 filed with the Stock Exchanges under Regulation 33 of the SEBI

The challenges mainly include travel restrictions on Indian seafairers and inefficient routing of vessels for crew changes, leading to additional costs. The Management has considered the possible effects that may result from the COVID-19 pandemic in preparation of these financial results, including recoverability of assets, and expects their carrying amounts to be recoverable. The impact of COVID-19 may be different

from that estimated as at the date of approval of these financial results. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

Pursuant to the approval of the Board of Directors for buyback of equity shares, for an amount aggregating up to Rs. 225 crores (excluding tax on buyback), the Company has bought back 41,99,323 equity shares of Rs. 10/- each during the year ended March 31, 2022.
